created a repo (test-repo)

create a test file in the main branch and commit

The screenshot shows the Bitbucket web interface in a dark theme. The browser address bar displays the URL: `bitbucket.org/kloudevops-gtm/test-repo/create-file/b1ea84fd8db793a9e3a09cfa881527058cfa9e80/?at=main`. The top navigation bar includes links for 'Your work', 'Pull requests', 'Repositories', 'Projects', and 'More', along with a 'Create' button. The left sidebar shows the repository structure: 'test-repo' (selected), 'Source', 'Commits', 'Branches', 'Pull requests', 'Pipelines', 'Deployments', 'Jira issues', 'Security', 'Downloads', and 'Repository settings'. The main content area is titled 'Source' and shows the file path 'kloudevops-gtm / cloudweb / test-repo / Source'. Below this, a 'main' branch is selected, and a file named 'testfile' is being created. The file content is displayed in a code editor: `1 this is the test file written in main`. The editor has a syntax mode of 'Plain Text', indent mode of 'Spaces', indent size of '4', and line wrap set to 'Off'. A notification bubble in the bottom left corner reads: 'Reminder - Changes to Pipelines IP addresses'. The Windows taskbar at the bottom shows the system clock as 27°C Partly cloudy, a search bar, and various application icons.

The screenshot shows the Bitbucket web interface for a repository named 'test-repo'. The breadcrumb navigation is 'kloudevops-gtm / cloudweb / test-repo / Commits'. The commit hash is '9a2bd90'. The commit was made by 'Gautham Srinivasan' (GS) 5 seconds ago. The commit message is 'testfile created online with Bitbucket'. There are 0 comments. A file named 'testfile' is shown with a diff view. The diff shows a single line added: '1 + this is the test file written in main'. The left sidebar contains navigation links: Source, Commits (active), Branches, Pull requests, Pipelines, Deployments, Jira issues, Security, Downloads, and Repository settings. A reminder banner at the bottom of the sidebar says 'Reminder - Changes to Pipelines IP addresses'. The bottom of the image shows a Windows taskbar with a search bar and various application icons.

create a branch1 from the main repo

The screenshot shows the BitBucket web interface for a repository named 'test-repo'. The left sidebar contains navigation links: Source, Commits, Branches (selected), Pull requests, Pipelines, Deployments, Jira issues, Security, Downloads, and Repository settings. The main content area displays the 'Branches' section with a search bar and a list of branches: 'main' (highlighted), 'MAIN', and 'DEVELOPMENT'. A 'Create branch' modal is open on the right, with the following fields: 'Type' set to 'Other', 'From branch' set to 'main', and 'Branch name' set to 'branch1'. A diagram below the fields shows a blue line representing the 'main' branch and a grey line representing the 'branch1' branch, with an arrow indicating the relationship. The modal has 'Create' and 'Cancel' buttons at the bottom right. A reminder banner at the bottom of the main content area reads 'Reminder - Changes to Pipelines IP addresses'. The Windows taskbar at the bottom shows the date and time as 12/8/24, 9:16 AM, the weather as 27°C Partly cloudy, and various application icons.

The screenshot displays the Bitbucket web interface for a pull request. The browser address bar shows the URL: `bitbucket.org/kloudevops-gtm/test-repo/pull-requests/1`. The top navigation bar includes links for 'Your work', 'Pull requests', 'Repositories', 'Projects', and 'More', along with a 'Create' button. The left sidebar lists repository features: Source, Commits, Branches, Pull requests (highlighted), Pipelines, Deployments, Jira issues, Security, Downloads, and Repository settings. The main content area shows the pull request details for 'Gautham-Srinivasan/testfile-br...' on 'branch1', marked as 'OPEN'. It includes a description: 'testfile branch1 edited online with Bitbucket', and a section for attachments stating '0 attachments'. The activity section shows a recent update by 'Gautham Srinivasan' who 'OPENED' the pull request 2 minutes ago. A system reminder banner at the bottom of the sidebar reads 'Reminder - Changes to Pipelines IP addresses'. The Windows taskbar at the bottom shows the date and time as 12/8/24, 9:16 AM, the weather as 27°C Partly cloudy, and various application icons.

The screenshot shows the Bitbucket web interface for a pull request. The browser address bar displays `bitbucket.org/kloudevops-gtm/test-repo/pull-requests/1/diff`. The top navigation bar includes links for 'Your work', 'Pull requests', 'Repositories', 'Projects', and 'More', along with a 'Create' button. The left sidebar lists repository features: Source, Commits, Branches, Pull requests (highlighted), Pipelines, Deployments, Jira issues, Security, Downloads, and Repository settings. The main content area is titled 'testfile branch1 edited online with Bitbucket' and shows a pull request from 'Gautham-Srinivasan/testfile-br...' to 'branch1', created 3 minutes ago. It indicates 1 file changed and 1 commit. The 'Files changed' tab is active, showing a table with 1 change in 'testfile' (+2 lines, -1 line). To the right, a diff view for 'testfile' shows a deletion of a line in 'main' and two additions in 'branch1'. A notification banner at the bottom of the sidebar reads 'Reminder - Changes to Pipelines IP addresses'. The Windows taskbar at the bottom shows the date, time, weather (27°C, Partly cloudy), and various application icons.

approve and merge

The screenshot shows the Bitbucket web interface for merging a pull request. The browser address bar displays `bitbucket.org/kloudevops-gtm/test-repo/pull-requests/1/diff`. The top navigation bar includes links for 'Your work', 'Pull requests', 'Repositories', 'Projects', and 'More', along with a 'Create' button. The left sidebar lists repository features: Source, Commits, Branches, Pull requests (selected), Pipelines, Deployments, Jira issues, Security, Downloads, and Repository settings. The main content area shows the pull request details for 'testfile branch1' by 'Gautham-Srinivasan', created 3 minutes ago. It includes tabs for 'Overview' and 'Files changed', and a section for 'Lines updated' showing 'testfile'. A 'Merge pull request' dialog box is open in the foreground, containing the following fields: 'Source' (Gautham-Srinivasan/testfile-branch1-edited-online-with-bit-1731436621000), 'Destination' (branch1), 'Merge strategy' (Merge commit), and 'Commit message' (Merged in Gautham-Srinivasan/testfile-branch1-edited-online-with-bit-1731436621000 (pull request #1) testfile branch1 edited online with Bitbucket). The dialog also has a checked checkbox for 'Close source branch' and 'Merge' and 'Cancel' buttons. A reminder banner at the bottom of the sidebar reads 'Reminder - Changes to Pipelines IP addresses'. The Windows taskbar at the bottom shows the date, time, weather (27°C, Partly cloudy), and various application icons.
